Explain in detail the reasons for your position that the newly filed case is related to the earlier filed case.

The instant action charges two defendants with securities law violations based on their participation in the same securities fraud scheme alleged in the earlier-filed action. Per Rule 13 of the Rules for the Division of Business Among District Judges, the two actions: (A) concern the same or substantially similar parties, property, transactions and events; (B) there is substantial factual overlap; (C) the parties could be subjected to conflicting orders; and (D) absent a determination of relatedness, there could be a substantial duplication of effort and expense, delay, or undue burden on the Court, parties or witnesses.
